Alastair Nicholson (AN), Development Manager from Wycombe District Council Planning Department

Prior to the Planning Committee meeting at 8pm, Alastair Nicholson (WDC) gave an informative talk to councillors about the current planning process within WDC, and the new fast track process which has just come into effect. He also discussed role of the parish council's planning committee, in particular the actions taken by WDC following consultee comments received from the parish council. Any comments made are checked against the policies of the Local Plan before a final decision is made.

Questions were asked about the development of a Neighbourhood Plan. AN asked councillors to consider "what is it that the Neighbourhood Plan is going to deliver for the council that the WDC Local Plan does not". A Neighbourhood Plan is a huge undertaking both from a time perspective and a financial perspective, many councils underestimate how long it takes and how much it will cost and also if it achieves the required goal.

The Chairman of the Council thanked Alastair Nicholson for coming along to address the council and for the useful information provided.

Cllrs Nicholls and Hardinge left the meeting.

The Planning meeting started at 8.00 pm and AN remained in attendance throughout the meeting.
