Erection of 1m high boundary wall to front	No objection provided this and previous extensions do not exceed the 50% rule in Green Belt AONB.	Application Refused.	No
18/07662/ FUL	Red Lodge Cryers Hill Lane Cryers Hill HP15 6AA	Householder application for construction of single storey detached 1 bed annexe building ancillary to main dwelling.	The parish council objects to this application due to over development of the site and the proposed new dwelling is inappropriate in the Green Belt and AONB.	Application Permitted.	Yes

18/08004/ FUL	Anns Cottage Naphill Common Naphill Buckinghamshire HP14 4SU	Demolition of existing 2 storey detached dwelling and redevelopment of site to form 2 x 2 storey detached 4 bed dwellings, access road plus parking and landscaping	The Parish Council strongly objects to this application as we consider this to be an overdevelopment of the site. The site is next to an area of Special Scientific Interest and a Special Area of Conservation. The site itself is too small to accommodate two x four bedroom houses that gives adequate parking and turning spaces. The application shows the access to the site is via a grassed track running through an allotment site. This access track would be unable to cope with increased traffic to and from the site both during and post construction. There are many objections to this development on the WDC planning portal and HPC would request that if WDC Planning Officer is minded to approve, that this application be called in and decided by the Planning Committee.	Application Refused.	No

Application Permitted.	No
